# SRT /0750/I-0750 7x2.5mm² • sg RAL 9006 • 19287501105

**REGIOLUX**

universal-mounting rail - Universal mounting rail, flexible, current taps every 767.5 mm, for device mount module /750, /1500 and /2250

Torsion-resistant support rail made of galvanized, profiled sheet steel with zinc coating combined with polyester resin lacquer to ensure good corrosion protection; universal support rail suitable for light runs of all protection classes IP20 to IP64; Housing colour silver grey/white aluminium RAL 9006; Heat-resistant, feed-through wiring with individual conductors installed at the factory. Including 1 current tap for electrical connection of the device mounts, in module 750. With push connection at the end of the support rail for the fast electrical connection of further support rails. 2 pre-scored knock-outs at the top allow a direct feed via the support rail. Feed adapter and optional mounting rail including outfeed required. Please order assembly accessories as well as rail end pieces and connectors separately.
